## A005 Interstate Exchange Programs for Higher Education

Washington is a member of the Western Interstate Commission for Higher Education. Through this program, Washington residents can obtain out-of-state tuition support to pursue optometric or osteopathic medicine degrees in 15 member states. In addition, the Commission uses dues collected from its member states to fund studies of higher education programs and policy issues.

It is also expected that Washington institutions will receive the rough equivalent of non-resident tuition for students who are residents of other states, while the students themselves pay the equivalent of resident tuition (88 students in 2004). Decision makers will have access to WICHE studies in making policy decisions.
